

Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Monday 22 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Rather cloudy but mostly dry, rain later Tuesday.

This Evening and Tonight:

A few clear spells possible across the south and east later in the night, although generally a cloudy but dry evening and night. Freshening southerly winds. Minimum temperature 4 deg C (39 deg F).

Tuesday:

A cloudy but mainly dry start. Cloud thickens from the west with outbreaks of rain spreading east through the late afternoon. Strengthening southerly winds. Maximum temperature 11 deg C (52 deg F).

Outlook for Wednesday to Friday:

Becoming increasingly unsettled with showers or longer spells of rain, best of any sunnier spells in east. Colder on Friday with showers turning wintry, especially over hills.
